

Modern Slavery Statement – May 2025

Goleudy Housing Support is committed to preventing modern slavery and human trafficking in all aspects of our work. We adopt a zero-tolerance approach to any form of exploitation and are fully aligned with the principles of the Modern Slavery Act 2015.

We take active steps to safeguard against modern slavery within our organisation and supply chains. This includes:

- Conducting due diligence on suppliers and partners
- Incorporating anti-slavery clauses into relevant contracts
- Training our staff to recognise and report signs of exploitation
- Promoting a safe environment for raising concerns

Our operations are assessed as low risk due to our limited supply chain and UK-based procurement. However, we remain vigilant and continuously review our practices to ensure they uphold the highest ethical standards. This statement is reviewed and approved annually by our Senior Leadership and Board of Trustees.
